Busy Bee Room

Ms. Dani & Ms. Amanda

Wow! It is hard to believe that January has gone by so quickly. The winter weather has certainly set in so we would like to remind you to please be sure and send a warm coat with your child (with his/her name inside) as we will continue to do outside activities.

Every Friday the children participate in All Stars with Amy and we would like to request that only tennis shoes or sneakers be worn on Friday's (for safety purposes). The children have a difficult time running in boots and/or dress shoes. Thank you!! Thank you to all of our wonderful January leaders!

February will be filled with activities to help us keep our bodies safe and healthy, taking good care of our teeth, and of course, love will be in the air as we have a grand time with our Valentine's unit. February is Heart Health and Dental Health month. We'll spend some time taking a look at healthy habits that promote all around good health.

We will also be discussing community helpers and their roles in helping to keep us healthy and safe. A pilot, farmer, nurse, dentist, and the Fort Mill Fire Department will be joining us for Community Helper Week! Please look for updates on the GroupMe app as we go through the month. Also, with Valentine's Day just around the corner, we'll focus on the special people in our lives.
