## Young 3's

### Ms. Jen & Ms. Danielle

October was a great month for our Young 3's! Your children are so sweet, so smart and they love their friends! We have had some children out sick and they always ask where their missing friend is and want to know when they will be back! They are doing a fantastic job participating at carpet time, sharing, learning our songs, and working on colors, letters, and fine motor skills.

The first week of November will be focusing on the color Blue. After that we will no longer have a specific color of the week but we will consistently review the colors so they will know them well by the end of the year. We will continue through the alphabet with the letter "G" and we'll be talking about all of the November themes (harvest, scarecrows, Thanksgiving, etc.). The kids will make placemats and outfits for our "Feast" in the classroom on Thursday, November 16th.

All of our classes will be collecting canned goods for the Care Center this month. We are so blessed to have plenty of food so we thought the children would enjoy sharing with our neighbors who might be struggling during the holidays. Our preschool will be collecting canned goods this month for the Fort Mill Care Center. Children may bring canned goods on or before **Tuesday, November 14th**. Items will be taken to the Care Center this week.

As the weather gets cooler, please be sure to send a jacket with your child each day as we will continue outdoor activities. Please be sure to label all articles of clothing with your child's name.

#### November Days to Remember

**Wednesday, November 1st** – December's Tuition is Due

**Thursday, November 16th** – Yum! Time for feasting! Our class will have a Thanksgiving feast today (which the children will help prepare). The feast is for preschoolers only – no families today, please).
