## Young 3s

### Ms. Jen & Ms. Danielle

We continue to have a very happy classroom of Young 3's! The children are learning about sharing, caring for friends, and sitting at group time - we are having a great time! Other things we are focusing on is learning fun new songs, fingerplays, classroom routines, simple counting activities, and learning how to write and recognize letters in their names.

Fall has arrived and with it comes many learning opportunities while having fun outdoors. We will be talking about the changes of the season as the leaves begin to turn colors and fall from the trees. Colors will be a main topic this month as you will see from our calendar. We will be exploring each color with activities including painting, sensory boxes, singing, and movement as we work on our motor skills. If your child has clothing that coordinates with the color of the week, please encourage him/her to wear them.

Please remember if you have any questions or concerns, please feel free to drop in or give us a call. Emails may be sent to Ms. Jen or Ms. Danielle via the preschool office at [rwild@upymca.org](mailto:rwild@upymca.org) and phone calls to 803-547-1064.

We are off to a great start and we look forward to watching the children grow in their first preschool experience.
