

September 2023 News

Pond Room

Ms. Jessica & Ms. Lauri

Welcome to the Pond Room! We hope you are ready for some fun times! Our mornings will be spent having fun with new friends as we experience many new learning opportunities.

Tuesday, September 5th – Our first day of preschool!!

Family Picture Project – please send in a 4X6 (no larger, please) family picture that can remain at preschool. We will be making special frames for our family pictures and displaying them for all to see. We would like to have the pictures as soon as possible as we will begin work on our project next week.

Wednesday, September 27th – The Lunch Crew (TLC)

Signup to stay until 2:00pm today. The children will have lunch, play outdoors, and enjoy each other's company. It's a fun time! This is optional and costs an additional \$10.00. Participants must sign up for TLC at the front of the Complex or online (an email will go out later this month with a link!) If you choose not to participate in TLC please pick your child up at the normal dismissal time.

Thursday, September 28th – Picture Day!

In order to better communicate with you, we will be implementing a communication app called Class Tag. This program will allow us to share class pictures, videos, and information directly to you. Once we complete orientation, and have the most up-to-date email from all parents, a link for you to join will be sent.

Our [website](http://www.preschoolatthecomplex.com) (www.preschoolatthecomplex.com) is full of information including our calendars, important dates and closings, newsletters, important documents, our handbook, and more!

Our classroom snacks will be brought in each day by our student leader of the day. The leader of the day may also bring in something for show-n-tell.

If you have any questions or concerns, please feel free to contact us through Class Tag, send us an email at rwild@ymcaup.org, or call us at 803-547-1064. We are going to have a great year!!

Thanks for joining our class at the Preschool at the Complex!!
